

THANK YOU!

CSV Construction 2018 Golf Day for Charity

Wow!!! Thank you CSV Construction from the bottom of our hearts for the awesome amount of R224 250 that you raised for Bizweni Centre for Children with Disabilities through your 2018 Golf Day for Charity.

The amount of time, effort, hard work and love that we saw going into organising this golf day was incredible. This reflects the character of CSV Construction and your sincere commitment to your Social Responsibility.

We also want to thank every company and individual who supported your Charity Golf Day through participating, sponsorship and time. You are all awesome.

This money will make a truly positive impact on the Centre and be used towards helping us provide our children with the programs and therapy interventions that are so desperately needed to assist their development.

Thank you very much from all the Staff and Children of Bizweni Centre
